

Gift voucher: An **simple, comfortable** and **easy** way to offer someone a present.

It allows:

- **Freedom of choice.** Offer the opportunity for someone to choose something they really like and need.
- **Contribute for an useful and wanted gift.** Knowing a friend needs something, but you don't have the possibility to offer it in full. A gift voucher is a way to contribute towards the purchase of the wanted product.
- **No worries.** The gift voucher allows you to be direct, offer the value you want to offer and give a present in a different way.
